TASCAs

Tennessee Ambulatory Surgery Center Association

TASCA is Tennessee's statewide professional association exclusively representing the interests of freestanding ambulatory surgery centers.

About TASCA

TASCA is Tennessee's statewide professional association exclusively representing the interests of freestanding ambulatory surgery centers.

We are seeking Partners to join with our 90-plus members to promote the success of our industry through the open exchange of information about products and services.

Your Marketing Partner

In an effort to accomplish these goals TASCA has established the Business Partner Sponsorship. This program will provide you with the tools you need to better communicate with Tennessee's ASCs.

In order to succeed in today's market, busy sales staffs need to maximize time and minimize expenses. TASCA has put together this unique sponsorship program in order to provide you maximum contact with Tennessee's ASC community at minimal cost.

Your company will benefit from an accurate list of ASCs - with complete contact information, which is updated twice each year.

Better still, the TASCA Fall conference and trade show is a prime opportunity to network with centers. The Fall conference and trade show boasts over 75 physicians, administrators and nursing directors that typically attend. Under the Business Partner Program, you will receive a 25% discount on an exhibitor registration and recognition on signage and in the meeting program!

As a final touch, TASCA will help increase your company's name recognition through listings in our quarterly newsletter and on our Web site in the Business Partners area.

The entire Business Partner program is designed to help you communicate better with the ASCs in Tennessee. We invite you to contact TASCA and become a Business Partner today!

Business Partner Benefits

Annual Sponsorship = \$695

Your company will benefit by easily making contact with all the ambulatory surgery centers in Tennessee. Your benefits include:
